

# *The Power of Place*

**What:** A **Documentary Film** exploring the complexity of the **Northern Pass Power Line Project**, followed by a **Panel Discussion** with the filmmaker and experts.

**Where:** Montshire Museum Porter Community Room, Norwich, VT

**When:** Thursday, May 28, 2015 at 6:00 pm. Doors open at 5:30 pm.

Hydro Quebec and Eversource Energy propose to build a 187 mile transmission line that will bisect the state of New Hampshire. Conservation photographer and filmmaker Jerry Monkman examines its impact on the White Mountain National Forest, The Appalachian National Scenic Trail, and the Great North Woods Region and interviews experts and residents about the effect on their landscapes.

Free and Open to the Public.

Sponsored by the Sierra Club Upper Valley Group
